A collaborative 2013 summer art education project between  
**Oconee Cultural Arts Foundation and**  
**Oconee Parks & Recreation**

**Ages 5 - 12 year olds**

Each week during the summer "Art Exploration" program, children ages 5-12 learned about drawing, painting, mixed media and the history of the county to create six painted mural panels. Each panel measures 4' x 4' and showcases the unique features of Oconee County. Each piece of art will be installed in buildings around the county for all to enjoy.
